Dear Professor Lederberg,

We thank you for your letter of January 2 and should like to inform you that the book by Prof. P. Buchner *ENDOSYMBIOSE* will be issued in about three to four months, i.e. in early Summer of this year. The enclosed page of our catalogue can give you details. The price cannot be fixed now. We suppose it will be around 50 - 60 Swiss francs. We shall send you a prospectus with all details before publication.

Yours sincerely
